

TOXIC RALLY

TO SUPPORT POISONED ROSEBERY RESIDENTS

Come and hear the truth about the government's hatchet job report on toxic contamination in Rosebery. Our backyards are the hotspot for heavy metal contamination in Tasmania.

Come and see samples of the toxic sludge surrounding our homes.

Our clean green image is a lie

If you have toxic issues as well – bring your banners

PARLIAMENT HOUSE LAWNS, HOBART

12:30PM SUNDAY 5th OF JULY

Rosebery residents will be telling all about toxic contamination on their properties and how it's making them seriously ill; and how the government has failed in its duty of care under the Public Health Act.
