Volcano Art Prize

Volcano Art Prize (VAP) is an art competition held by The LEAD Group (charity organisation) annually for people of all ages. Two types of awards will be awarded - best entry chosen by the judge and best entry chosen by the people. Entering VAP might not just help you win attractive prizes but could also make you a Good Samaritan in spreading awareness about solutions to Lead problems in your day-to-day life. The entry could be of many forms. The image just has to be rectangular and in landscape-orientation (not portrait-orientation). It's preferable if your entry has a lead safety message with it. Children can take help from their parents for the message. Submit your entries on <http://volcanoartprize.com/>
